Choice

Abortion advocates do not want to talk about facts or science, but they love to talk about "choice". They refuse to be called "pro-abortion", but they gladly accept the label, "pro-choice".

Indeed, nothing has so clouded and confused the politics of the abortion debate more than the misconstrued application of this word. For years, abortion advocates have sought to bestow upon "choice" a nobility of its own, thereby avoiding discussion of what is being chosen.

The fact is that "choice" is nothing apart from the context to which it is applied. Laws against rape, murder, assault, theft, and drunk driving (to name a few) are all "anti-choice". They remove choice in order to protect a more fundamental freedom.

In the final analysis, we are only free to choose so long as that choice does not harm another person. For example, a person cannot choose to rape another person because rape is a violent assault on another human being. And so is abortion.

The New Sexual Revolution: How to Form Pure Teens by Chris Stefanick

Studies have proven that few factors determine a teen's physical, social, educational, emotional, and even financial health as profoundly as their choice for purity or promiscuity. In this dynamic talk, 14-year youth ministry veteran Chris Stefanick shows us exactly what we're up against and how to turn the tides in the culture war for your teen's purity. Chris speaks to over 50,000 teens, young adults, and parents every year.

"Forward, always forward, everywhere forward! We must not be held back by debts, bad years or by difficulties of the times. Man's adversity is God's opportunity."

Archabbot Boniface Wimmer, O.S.B.

Weekly Bulletin E-mail

If you are not receiving our church bulletin each week through email, please contact the parish office to have your email address added to our files.

When Should Catholics Not Receive Holy Communion?

- If you have a mortal sin on your soul. Some serious sins include (but are not limited to) being married outside the church, being unmarried but living together or purposely not attending Sunday Mass or holy days of obligation. For more info on what constitutes a mortal sin, refer to the Catechism of the Catholic Church 1857 - 1859.
- If you have not observed the Eucharistic Fast one hour before receiving. Plan to eat your breakfast after Mass!
- If you have not yet received First Communion.

Why Can't Non-Catholics Receive Holy Communion?

Because Catholics believe that the celebration of the Eucharist is a sign of the reality of the oneness of faith, life, and worship, members of those churches with whom we are not yet fully united are not admitted to Holy Communion.

For those who cannot receive Eucharist at this time, we welcome you to join in our liturgy, to pray and sing with us. Please remain in the pew during the Communion Procession, offering your heartfelt prayers to our God of love and mercy. We eagerly await the time when you will join us at the Eucharistic table!

Parish Membership & Benefits:

To be considered an "active" member of any parish (and thus eligible for Sacraments, sponsor eligibility, and the "Active Parishioner Rate of tuition" at a Catholic school), the parish takes into account the following things. First, to receive a discount at a Catholic School or to receive a sacrament, **the children MUST attend weekend Mass**. Second, family & individual involvement in parish life and ministries are taken into consideration. Mass attendance is only able to be tracked accurately via collection envelopes. If you are not receiving envelopes currently, please contact the parish office. Parishioners over 18 should register as a household to help us keep records accurate and up-to-date.

Mass Intentions & Sanctuary Lamp

Having the Holy Sacrifice of Mass offered is more effective than flowers or memorial gifts for your deceased loved ones or as a special intention for a living person or special occasion. Mass Intentions can be placed in a "Mass Intention" envelope and placed in the collection basket or mailed to the parish office. Please indicate if the person is living or deceased and the date you would like the Mass to be said. Mass dates are filled on a "first-come, first-serve" basis. If you would like to memorialize the sanctuary lamp in honor/memory of someone for a two-week period, please contact the parish office. The donation is \$20.

THERE IS LIFE IN THE WOMB
VENERABLE FULTON J. SHEEN

Archbishop Fulton J. Sheen was one of the best-loved and most influential preachers of the 20th century and author of over 90 books. He reached nearly 30 million people through his weekly program, Life is Worth Living, and his cause for canonization was officially opened in 2002. He explains the Church's teaching on life from a philosophical and historical perspective.

Hudson Byblow, a well-known speaker and author, discusses his own experience of same-sex attraction and transgender inclinations. He invites others to experience the fulfillment and freedom he discovered when he came to the profound realization that his most fundamental identity is found in Christ. Listen as Hudson shares how this deeper understanding of his identity has allowed him to live a life motivated not so much by rules but by love for God, and himself.

Catholic Schools Gear up for Application/Re-enrollment Period Hope Scholarship Program Creates Opportunity for New Families

Catholic schools throughout the Diocese of Wheeling-Charleston are preparing for the 2022-23 school year with their common application and re-enrollment period beginning in February.

Schools are also preparing to welcome new students taking advantage of the HOPE Scholarship—with its application period set to open by March 2022.

The Hope Scholarship, formerly House Bill 2013, was passed last Spring by the WV Legislature. Hope Scholarship is set up to provide funds for families enrolling in private school, alternative instruction programs, or home schools. This education savings account is managed through the West Virginia Treasurer Riley Moore's office and not by the Diocese.

According to the Treasurer's website, hopescholarshipwv.com, students are eligible for the program if they are:

- A resident of West Virginia
- Entering kindergarten for the first time in the Fall of 2022
- Current K-11 student enrolled full time (or at least 45 days during the time of application) in a public elementary or secondary school in West Virginia in 2021-2022

The site also states that under the current school aid formula, each eligible student would receive \$4,600 annually that can be used toward private school, alternative instruction programs, or home school. The funds awarded can only be spent on education expenses such as tuition and fees, extracurriculars, tutoring, materials, supplies, textbooks, transportation, etc. Please visit the site to learn more about the program and receive updates from the Treasurer's office.
