Why Can't Non-Catholics Receive Holy Communion?

Because Catholics believe that the celebration of the Eucharist is a sign of the reality of the oneness of faith, life, and worship, members of those churches with whom we are not yet fully united are not admitted to Holy Communion.

For those who cannot receive Eucharist at this time, we welcome you to join in our liturgy, to pray and sing with us. Please remain in the pew during the Communion Procession, offering your heartfelt prayers to our God of love and mercy. We eagerly await the time when you will join us at the Eucharistic table!

When Should Catholics Not Receive Holy Communion?

- If you have a mortal sin on your soul. Some serious sins include (but are not limited to) being married outside the church, being unmarried but living together or purposely not attending Sunday Mass or holy days of obligation. For more info on what constitutes a mortal sin, refer to the Catechism of the Catholic Church 1857 - 1859.
- If you have not observed the Eucharistic Fast one hour before receiving. Mints and gum break your fast.
- If you have not yet received First Communion.

Archbishop Boniface Wimmer, O. S. B.

Will and Estate Planning

Have you considered remembering St. Patrick's in your will or estate plans? A bequest through a Last Will and Testament is the simplest way of creating a lasting legacy of support for St. Pat's. Bequests should be made out to: "The Bishop of the Roman Catholic Diocese of Wheeling-Charleston, or his successors in office," with a specification of the purpose for which the bequest is to be used (i.e. "for the use of St. Patrick Parish, Weston").
