Will and Estate Planning

Have you considered remembering St. Patrick's in your will or estate plans? A bequest through a Last Will and Testament is the simplest way of creating a lasting legacy of support for St. Pat's. Bequests should be made out to: "The Bishop of the Roman Catholic Diocese of Wheeling-Charleston, or his successors in office," with a specification of the purpose for which the bequest is to be used (i.e. "for the use of St. Patrick Parish, Weston").

Why Can't Non-Catholics Receive Holy Communion?

Because Catholics believe that the celebration of the Eucharist is a sign of the reality of the oneness of faith, life, and worship, members of those churches with whom we are not yet fully united are not admitted to Holy Communion.

For those who cannot receive Eucharist at this time, we welcome you to join in our liturgy, to pray and sing with us. Please remain in the pew during the Communion Procession, offering your heartfelt prayers to our God of love and mercy. We eagerly await the time when you will join us at the Eucharistic table!

When Should Catholics Not Receive Holy Communion?

- If you have a mortal sin on your soul. Some serious sins include (but are not limited to) being married outside the church, being unmarried but living together or purposely not attending Sunday Mass or holy days of obligation. For more info on what constitutes a mortal sin, refer to the Catechism of the Catholic Church 1857 - 1859.
- If you have not observed the Eucharistic Fast one hour before receiving. Mints and gum break your fast.
- If you have not yet received First Communion.

Golden Horseshoe Winners

Camryn Lambert and Samantha Blake received the honor of being named Dames of the Golden Horseshoe on, Tuesday, June 13 at the Golden Horseshoe Day ceremony held at the West Virginia Culture Center in Charleston.

We are proud that two of three winners from Lewis County, attended St. Patrick School.

Dear St. Patrick Community,

I hope this letter finds you well. I am writing to provide you with an update on how our summer school program at St. Patrick's School is progressing. I am delighted to inform you that the students have been actively engaged in their learning while thoroughly enjoying the summer themes we have incorporated into the curriculum.

During the first week of our summer school program, we embarked on an exciting journey exploring popular vacation destinations across the United States. The students learned about various locations, and they enthusiastically took on the challenge of budgeting for a hypothetical trip.

They crafted enticing brochures, showcasing their knowledge and creativity. Additionally, we organized virtual field trips and scavenger hunts to make the experience even more immersive and engaging for the students.

In the second week, our young learners transformed into "ocean explorers," diving deep into the wonders of the oceans and continents. They delved into the extensive marine life, discovering the rich diversity that exists beneath the waves. Through interactive lessons and experiments, the students not only expanded their knowledge but also developed a profound appreciation for the world's oceans and their ecological significance.

I must commend both the staff and students for their hard work and dedication. Our teachers have been diligently facilitating the learning process, incorporating engaging activities and resources that capture the students' imagination. The enthusiasm displayed by our young learners has been truly remarkable, and their active participation has created a vibrant and stimulating environment within the summer school program.

As we move forward, we are excited to explore more captivating themes that will continue to ignite the students' curiosity and facilitate their learning. We remain committed to providing a well-rounded educational experience, ensuring that the students continue to strengthen their skills in writing, reading, and arithmetic alongside the thematic elements that make our summer school program so enjoyable.

If you have any questions or concerns regarding the program or your child's progress, please do not hesitate to reach out to us. We value your involvement and partnership in your child's education and are here to support you.

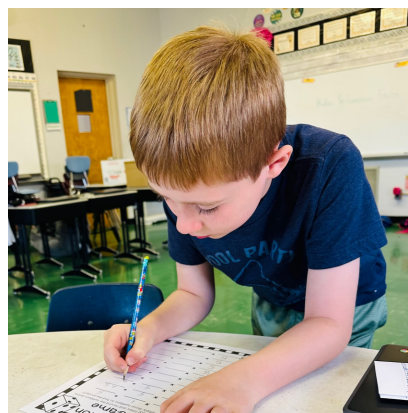

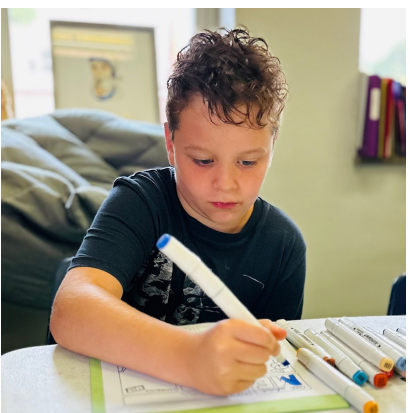

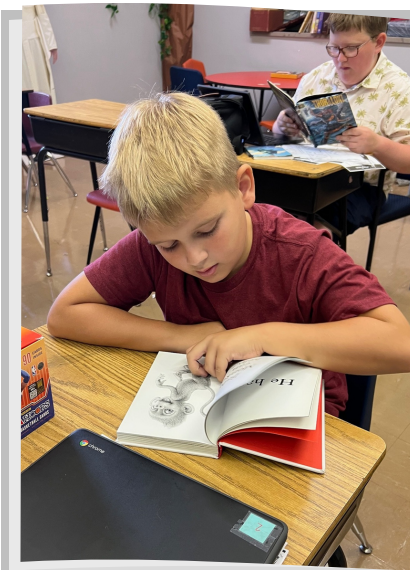

Thank you for entrusting us with your child's summer learning experience. We are confident that the remaining weeks will be filled with further growth, discovery, and fun!

Kind regards,

Mr. Riley
