The Solemnity of Pentecost

After Jesus had ascended to heaven from Mt. Olivet, the apostles and disciples returned to the Holy City. They remained together in the Upper Room or Cenacle, the place where Jesus had appeared to them and which may well be called the first Christian church. About a hundred and twenty persons were assembled there. They chose Matthias as an apostle in place of the unhappy Judas; they prayed and waited for the Paraclete.

Ten days had passed, it was Sunday, the seventh Sunday after the resurrection. At about nine o'clock in the morning, as they were together praying fervently, the Holy Spirit descended upon them. Note how all the great theophanies in Christ's life occurred during the course of prayer. After His baptism, for instance, when Jesus was praying the heavens opened and the Holy Spirit descended in the form of a dove; likewise, it was during prayer at night that the transfiguration took place on Tabor. Surely too it was while Mary was praying that Gabriel delivered his message, and the Holy Spirit overshadowed her. Pentecost followed precedent. The small community of Christians had prepared themselves through prayer for the coming of the Paraclete. The same is true at Mass today, every day; through prayer we ready our souls for the advent of the Spirit.

The descent upon the apostles was internal and invisible in nature although accompanied by certain visible phenomena. There came a mighty roar, like the onrush of a violent wind. It came suddenly, from heaven; but unlike storms that strike a structure from without, this one penetrated and filled the room where the disciples were gathered. Therefore it was not a natural wind, it was a miracle peculiar to the occasion. A second visible sign consisted in tongues of fire that descended upon each one present. These fiery tongues gave visible evidence that the Holy Spirit had descended upon them.

Today at Mass, particularly at holy Communion, the power of the Holy Spirit will come down upon us; fiery tongues will not be seen, but invisible tongues of fire will not be absent. There was still another external manifestation of the Holy Spirit; the apostles and disciples were enabled to speak various languages.

After the roar of the wind many of Jerusalem's pilgrims hurried to the Cenacle. Pentecost was one of the three festivals which obliged all Jews to be present in Jerusalem. Jews from distant lands, and Jewish converts from paganism too, attended these feasts. As a result, a colorful crowd speaking a variety of languages surrounded the house. Now the apostles, who so shortly before had hid in fear behind locked doors, came forth and courageously walked among the multitude speaking to each in his native tongue. It was indeed amazing! Galileans, and multilingual?

But the malicious too were present; they had the answer. Nothing marvelous at all! Those Galileans were simply drunk, and their drunken babble sounded like a foreign language! Peter showed no hesitation in answering the charge. None of their number, he said, were intoxicated; it was but nine o'clock in the morning, and at that hour men usually are sober. What the multitude saw was, in fact, the fulfillment of Joel's prophecy: In those days (of the Messiah), God will pour forth His Spirit upon men and they will prophesy. . . . Then the apostle pointed his words more directly against the accusers: they had killed Jesus, had nailed Him to the Cross; but God had awakened Him and after His departure to heaven, He sent the Holy Spirit.

The pilgrims who had heard Peter give this first pentecostal sermon "were pierced to the heart and said: Brethren, what shall we do? But Peter said to them: Repent and be baptized; and you will receive the gift of the Holy Spirit." Three thousand responded.

One final question: why the miracle of tongues? In answer, recall the story regarding the tower of Babel. Puffed up by pride, men attempted to build a tower that would touch the heavens. To punish their sin, God confused their speech. Sin causes confusion and division. Now Christ came to gather all men into His Church and thereby to unite them to Himself. This should result in creating but one family of nations again. To this blessed state the miracle of tongues points.

Yes, even we as individuals have a gift of tongues which all men can understand. It is the gift of love infused into us by the Holy Spirit. Love unites, love is a common language, by means of love we can speak to all nations.

Introducing Our Summer Seminarian!

Hello St. Patrick's, my name is Andrew Dean and just completed my first year of seminary at Mount St. Mary's in Emmitsburg, MD. Prior to entering seminary, I was an undergraduate student at WVU and graduated Spring 2024 with a degree in Mechanical Engineering and minor in Music Technology. Although I never worked a full time job as an engineer, I spent a Summer in Lafayette, LA working in Research and Development for a power tong company. My home parish is St. John's University Parish in Morgantown, WV where I reconnected with the Faith while in college. I have three older siblings, and a cat named biscuit who lives with my parents in North Carolina. I really enjoy sports, especially soccer and basketball, as well as playing the piano/organ. My favorite book right now is "Maurice & Thérèse - The Story of A Love" by Patrick Ahern. My two favorite Saints are St. Thérèse of Lisieux and St. Gemma Galgani. I could talk about little Thérèse for hours on end if you let me. I'm very excited to be with you at St. Patrick's for the Summer. I especially look forward to getting to know you all and to learn many great things about the priesthood from a great priest like Fr. Ondeck. Feel free to reach out to me to get coffee or a meal, I want to learn from all of you. Thank you in advance for welcoming me so generously into your community!

God Bless,

Andrew Dean

Bernadette Law is West Virginia's Longest Standing Member of the Catholic Daughter's of the Americas.

Court Victory #379 was pleased to present a lovely CDA plush throw to West Virginia's longest standing CDA member in the State. Bernadette Law has been a member of Court Victory for almost 77 years.

State Regent Marilyn Bean (left) and Court Victory Regent Donna Lake (right) were able to visit with Bernadette, who graciously accepted the gift and was happy to reminisce with the ladies. Most important to her was the time she spent with other faithful Catholic women. Thank you, Bernadette, for your years of service to CDA.

Parishioner Still in Need of Living Liver Donor

Hi everyone, my name is Kelsea Butcher. Many of you know me and some may not. I am a busy mom of 2 beautiful girls Madlyn and Hayley and a new addition our puppy Milo. I am also happily married to my best friend and husband Trent Butcher. In my free time I enjoy spending time with my family and cuddling up with a good book.

The reason that I am reaching out is because I have a health condition that affects my liver. It has been an ongoing problem since I had my youngest daughter. Some days are better than others, but my doctors have told me that I need a liver transplant and finding someone to become my living donor could be my best option. I have always been independent and able to take care of myself. But now I am turning to my community for support. Please help me in finding a living-liver donor so that I can receive a life-saving transplant. I would truly appreciate it if you could share my story with others. Anyone interested in being evaluated as a potential living donor should complete the online form at LivingDonorReg.UPMC.com

My blood type is B positive 🩸
Thank you to everyone for helping me with this journey and please keep me in your prayers. 🙏

How does being a living liver donor work?

A living-donor liver transplant is a surgery in which a portion of the liver from a healthy living person is removed and placed into someone whose liver is no longer working properly.

The donor's remaining liver regrows and returns to its normal size, volume and capacity within a couple of months after the surgery. At the same time, the transplanted liver portion grows and restores normal liver function in the recipient.
