

SEVENTEENTH SUNDAY IN ORDINARY TIME

Gospel Commentary

The Gospel is from St. Luke, 11:1-13 in which we hear Luke's rendition of the "Our Father" and Jesus' teaching on prayer.

The Our Father is certainly the most sublime formula possible and contains the whole essence of the most elevated mental prayer. However, Jesus gave it as a formula for vocal prayer: "When you pray, say. . ." (ibid. 11:2). This is enough to make us understand the value and importance of vocal prayer, which is within the reach of everyone even children, the uneducated, the sick, the weary.... But we must realize that vocal prayer does not consist only in the repetition of a certain formula. If this were true, we should have a recitation but not a prayer, for prayer always requires a movement, an elevation of the soul toward God. In this sense, Jesus instructed His disciples: "When thou shalt pray, enter into thy chamber, and having shut the door, pray to thy Father in secret.... And when you are praying, speak not much as the heathens" (Mt 6:6-7). It is interesting to note that in St. Matthew these prescriptions concerning the exterior and interior dispositions necessary for well-made prayer immediately precede the teaching of the Our Father.

Therefore, in order that our vocal prayer be real prayer, we must first recollect ourselves in the presence of God, approach Him, and make contact with Him. Only when we have such dispositions will the words we pronounce with our lips express our interior devotion and be able to sustain and nourish it. Unfortunately, inclined as we are to grasp the material

part of things instead of the spiritual, it is only too easy in our vocal prayer to content ourselves with a mechanical recitation, without taking care to direct our heart to God; hence we should always be vigilant and alert. Vocal prayer made only by the lips dissipates and wearies the soul instead of recollecting it in God; it cannot be said that this is a means of uniting us more closely to Him.

All employees and volunteers are required to complete VIRTUS Training. Participants of this training complete short video modules to learn how to best protect the vulnerable in our community. These short sessions empower participants to accurately identify and correctly report all instances of suspected child abuse. To create or update your account, please go to virtusonline.org.

Thank you for your continued support in making the environment at St. Patrick Church and school safe for everyone.

To report an incidence of suspected child sexual abuse, please contact your local law enforcement agency, or you may confidentially contact WV Child Protective Services at 800.352.6513. In addition to civil authorities, to report suspected cases of sexual abuse of children by personnel of the Diocese of Wheeling-Charleston to the Diocese, contact one of the following designees at 1.888.434.6237 or 304.233.0880: Mr. Bryan Minor, ext. 263; Mr. Tim Bishop, ext. 353; Sr. Martha Gomez, ext. 264. Testimonial

"When I first considered joining OCIA, I was hesitant and skeptical. I had a wall up. I was unsure of what I'd learn, what would be asked of me, and whether I would belong. I feared the truth might challenge me in uncomfortable ways. The depth and tradition of the Church felt overwhelming. But beneath it all, I knew something was missing. I carried a deep emptiness that nothing and no one could fill, until I realized what I was longing for was a true relationship with God.

What I didn't expect was how deeply I would connect with the Church, the people or how much it would begin to transform me from within. OCIA became a journey not just of learning, but of healing, discovery, and peace..."
