This All Souls' Day, we reflect on the mystery of life beyond death and our connection with those who have gone before us. The Church invites us to remember and pray for the souls in purgatory, an expression of our faith in God's perfect justice and boundless mercy.

Purgatory is not a place of punishment, but rather a state of purification for those who die in God's grace but still need sanctification to enter heaven. It is a process by which the soul is cleansed of any remaining attachment to sin, so as to behold the Beatific Vision in its fullness. This purification is a testament to God's love, ensuring that nothing impure can stand in His holy presence.

The Catechism of the Catholic Church teaches us that this necessary purification is entirely different from the punishment of the damned (CCC 1031). The souls in purgatory are assured of their salvation, and our prayers, sacrifices, and masses offered on their behalf facilitate their journey to the eternal embrace of God.

As we pray for the faithful departed today, we are reminded of our own call to holiness. We recognize that life is a journey, and we strive to detach ourselves from sin and grow in virtue. Our prayers for those in purgatory not only aid our beloved dead, but they also remind us of the interconnectedness of the Church — the Church Triumphant in heaven, the Church Suffering in purgatory, and the Church Militant here on earth.

Take solace in the words of hope and consolation from Scripture: "Blessed are those who wash their robes, so that they may have the right to the tree of life" (Revelation 22:14). As we embrace the mystery of purgatory, let us reaffirm our trust in God's mercy and renew our commitment to live lives worthy of the kingdom.

"Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace.
Amen"

Protecting God's Children

St. Patrick Church takes seriously this 'VIRTUS' pursuit of excellence in our community. With the Diocese of Wheeling-Charleston, we are committed to making every environment – a safe environment. All employees and volunteers are required to complete VIRTUS Training. Participants of this training complete short video modules to learn how to best protect the vulnerable in our community. These short sessions empower participants to accurately identify and correctly report all instances of suspected child abuse. To create or update your account, please go to virtusonline.org.

Thank you for your continued support in making the environment at St. Patrick Church and school safe for everyone.

To report an incidence of suspected child sexual abuse, please contact your local law enforcement agency, or you may confidentially contact WV Child Protective Services at 800.352.6513. In addition to civil authorities, to report suspected cases of sexual abuse of children by personnel of the Diocese of Wheeling-Charleston to the Diocese, contact one of the following designees at 1.888.434.6237 or 304.233.0880: Mr. Bryan Minor, ext. 263; Mr. Tim Bishop, ext. 353; Sr. Martha Gomez, ext. 264. Or you may call Rev. Don Higgs, 304.685.2367, the Office of Safe Environment at 304.230.1504, or Victims Assistance Coordinator Erin McFarland at 304.559.6742. Invitation to Join CDA

November 10th | 6:00 PM | School Cafeteria

We'd like to take this opportunity to invite all Catholic women 18 years and older to join our organization — the Catholic Daughters of the Americas, Court Victory #379. Founded in 1903, the Catholic Daughters are one of the oldest and largest organizations of Catholic women in the Americas, with over 55,000 members and growing! Catholic Daughters enjoy friendship and fellowship, share in Catholic spirituality, give generously to local and national charities, and take part in many activities that support our parishes and communities.

Court Victory #379 meets on the second Monday of each month. We do not meet in July or August.

Can't commit to attending a monthly meeting? That's okay! You can still be a valued member by helping with one or more of our many endeavors—such as turning vanilla bottles in your home, baking desserts for funeral dinners, leading a rosary, helping in the school library, sending a card to someone as requested, helping with a retreat, or suggesting new service projects.

Still unsure? Come as our guest to the next meeting on Monday, November 10 at 6:00 pm in St. Patrick School Cafeteria.

Refreshments will be provided!

Any other questions? Contact Donna Lake, Regent, dlake5977@gmail.com

Annual Pumpkin Book Reports

Annual pumpkin book reports are in! Our students have brought their favorite stories to life by decorating pumpkins inspired by the books of their choice. Take a look at some of their masterpieces down below.

A Sweet Fundraiser for 8th Grade

Our 7th/8th grade students conducted a "Candy Gram" fundraiser, sending sweet treats and festive notes to friends, teachers, and classmates. The hallways were filled with smiles as Candy Grams were delivered just in time for Halloween.

This activity helped raise funds for The 8th grade class.

School Baby Bottle Fundraiser

Students are enthusiastically filling their class baby bottles with donations as part of the ongoing "Baby Bottle Fundraiser" — all to support mothers and babies in need.

The friendly competition is adding to the excitement: the class that raises the most will win a pizza party with Father O'neck! With such a fun reward on the line and a meaningful cause at heart, the energy is high and the generosity even higher.

Pumpkin Jack: A Kindergarten Science Project is Underway

Mrs. Missy kicked off our Pumpkin Jack science project this week! After reading the story Pumpkin Jack, she carved our very own classroom pumpkin. Some brave students even reached in to explore the pumpkin's "guts and seeds"! We then added dirt and water to our container and sealed up Jack. Over the next few weeks and months, we'll observe how he decomposes and learn all about the life cycle of a pumpkin.

Pre-Writing in Pre-School

Our preschoolers are working on their prewriting books! These activities help children strengthen the small muscles in their hands and practice the basic strokes used in writing.

Flat Stanleys are on the Move!

Our 4th grade students are participating in the Flat Stanley mailing project! After reading the story Flat Stanley by Jeff Brown, each student created their own "Flat Stanley" and mailed him to friends or family in another city, state, or even country. The recipients take Flat Stanley on adventures—visiting local landmarks, attending events, or exploring their hometown—then share photos and stories about his travels. This fun project helps students learn about different places and cultures while practicing reading, writing, and geography skills. We can't wait to see where Flat Stanley travels next!
